

Police Officers or Immigration Officers? The Dilemma of Responding to ICE Warrants
Abigail Joens-Witherow

What central moral issue does Joens-Witherow identify in her article?

Was the police's decision to arrest Macarreno on behalf of Immigration and Customs Enforcement (ICE) justified? Should state officials enforce federal law?

"What do terms like citizen, immigrant, etc mean to you? Why do you think the author excluded the term illegal immigrant?"

The article reads, "Law enforcement is supposed to protect citizens, and citizens should be able to count on police officers to keep them safe from danger." Should the police have any responsibility towards non-citizens?
